And just like that, we are at the start of Term 3 and already half way through the year!

The children spent Term 2 settling back into kinder with most children returning across all groups by the end of the term. The children took changes introduced at the kinder in their strides. The children have their own play dough and are enjoying being responsible for packing it away ready for next time (this will continue in Term 3). We get fresh air when we can, playing group games on the tennis court particularly when our playground becomes too wet.

Here are the 4yo group playing our dice game which involves a lot of gross motor play.

Term 2 saw an introduction of indigenous experiences to recognise reconciliation week. Activities included learning indigenous songs, and introducing welcome to country and yarning circles to the children.

We were lucky to have a rerun of the reptiles encounter this term which was very successful, and hope to have a live viewing later in the year.

St Andrew's Kindergarten Newsletter

The educators had a busy Term 2 both at kinder and preparing online activities and take home learning for the children. The committee arranged a grazing platter for the staff as a result of feedback from parents about how thankful they were for the effort and dedication the teachers have shown

Covid safety reminder

- Please remember your social distancing.
- Please remember to leave the centre once you have collected your child. Our playground is out of bounds before and after session for all children including siblings.
- If you are late please call staff on 9337 4050, so we can come and collect your child. Please do not approach the rooms. Don't forget to let staff know who is collecting your child if it is not a parent.

If your child is unwell please keep them at home. Our winter colds have started and we have appreciated the many families who have kept their children home to allow them to recover and not spread their virus.
